

Sweet Serendipity

Lee DeWyze

I ain't got no car
And I've got one pair of jeans
They've been stretched too far
And now they're weak at the seams I can't say what's next
And I got nothing up my sleeve
But I don't lose my head
'Cause it ain't really up to me And I'm doing just fine, I'm always landing on my feet
In the nick of time, and by the skin of my teeth
I ain't gonna stress 'cause the worst ain't happened yet
Something's watching over me like sweet serendipity
whoa whoa oh oh oh
sweet serendipity I don't ask for a lot
No, nothing more than I need
'Cause I love what I got
Don't need to play the lottery I just want to be strong
At the end of the road
I don't want to hold on
I want the strength to let go And I'm doing just fine, I'm always landing on my feet
In the nick of time, and by the skin of my teeth
I ain't gonna stress 'cause the worst ain't happened yet
Something's watching over me like sweet serendipity And what will be will be
In the nick of time and by the skin of my teeth
I ain't gonna stress 'cause the worst ain't happened yet
Something's watching over me like sweet serendipity, sweet serendipity
Like sweet serendipity Don't look, fate can only find you
Can't choose for something to surprise you
Set sail without a destination
See where the wind takes you You never know where you're going to fall
But I'm not worried, I'm not worried at all And I'm doing just fine, I'm always landing on my feet
In the nick of time, and by the skin of my teeth
I ain't gonna stress 'cause the worst ain't happened yet
Something's watching over me And I'm doing just fine, I'm always landing on my feet
In the nick of time, and by the skin of my teeth
I ain't gonna stress 'cause the worst ain't happened yet
Something's watching over me like sweet serendipity, sweet serendipity
Sweet serendipity Don't look, fate can only find you
Can't choose for something to surprise you
Set sail without a destination
See where the wind takes you Sweet, sweet, sweet sweet

Sweet serendipity
Sweet, sweet, sweet sweet
Sweet serendipity
Sweet, sweet, sweet serendipity
