

This Is That New Song

Badly Drawn Boy

And if I knew the answers
I would tell you now
Just what would be the chances
That I could show you howIf I knew where all the tears
Were coming from
Add up all the years
That you've been goneThis is that new song
I told you about 20 years agoDo you know what true romance is
And could you show me now
Just what would be the chances
That I could tell you howIf I knew where all the tears
Were flowing to
Guide them to a river where
I'd swim with you downstreamThis is that old dream
I told you about 20 years agoAnd could you hold me now
