

# Wrong Night

Reba McEntire

I set my mind to it.  
Said I wasn't gonna do it.  
No how.  
No sir.  
No way.  
I wouldn't give my heart up.  
Gonna keep my guard up.  
And save it for another day.  
Then you walked in with that crazy grin.  
And everything I swore before got lost in your eyes.  
And flew right out the door.[Chorus]  
Suddenly I heard love songs.  
Playing real soft on the jukebox.  
Somebody ordered up moonlight.  
And painted stars all across the sky.  
Is it gravity or destiny.  
Either way there's nothing I can do.  
Looks like I picked the wrong night.  
Not to fall in love with you. I briefly resisted but my heart insisted.  
It was gonna be giving in.  
Hard as I was trying there was no denying.  
Which one of us would win.  
You came up beside me and asked if I'd be wantin' to have dance.  
And right then I knew.  
This thing was out of my hands.[Chorus: x2]
