Kill Me Again

Lillian Axe

KILL ME AGAIN
An act of a guilty mind
The Savior of human kind
With a vengeance that's unreal
I'll let you know the way I feel
Can't you see they've done to me
Just what the world expects to see
But I don't care
I do the deed with great efficiency
And I'll be there
And if the pain gets too severe
Say the word and I'll be near
Save your strength now don't be scared
Say the words and I'll be there
Feel my power, pull my chain
Take a chance in my domain
Roll me over and just tell me when
Kill Me Again
At peace with a restless mind
The beast and a man combined
I'm watching over you
Don't be afraid I'll see you through
Break the walls down
Clear my way
The unforgiven keeps you safe
A heart of steel, I chill the bone
A vagabond, I act alone
And I'll be there
If you need a helping hand
To walk you through this hostile land
Keep the faith child say your prayers
Speak the words and I'll be there
Feel my power, pull my chain
Take a chance in my domain
Roll me over and just tell me when
So Kill Me
Feel my power, pull my chain
Take a chance in my domain
Roll me over but just tell me

Feel my power, pull my chain
Take a chance in my domain
Roll me over and just tell me when
Kill Me Again
