

# Kill Me Again

Lillian Axe

## KILL ME AGAIN

An act of a guilty mind  
The Savior of human kind  
With a vengeance that's unreal  
I'll let you know the way I feel  
Can't you see they've done to me  
Just what the world expects to see  
But I don't care  
I do the deed with great efficiency  
And I'll be there  
And if the pain gets too severe  
Say the word and I'll be near  
Save your strength now don't be scared  
Say the words and I'll be there  
Feel my power, pull my chain  
Take a chance in my domain  
Roll me over and just tell me when  
Kill Me Again  
At peace with a restless mind  
The beast and a man combined  
I'm watching over you  
Don't be afraid I'll see you through  
Break the walls down  
Clear my way  
The unforgiven keeps you safe  
A heart of steel, I chill the bone  
A vagabond, I act alone  
And I'll be there  
If you need a helping hand  
To walk you through this hostile land  
Keep the faith child say your prayers  
Speak the words and I'll be there  
Feel my power, pull my chain  
Take a chance in my domain  
Roll me over and just tell me when  
So Kill Me  
Feel my power, pull my chain  
Take a chance in my domain  
Roll me over but just tell me

Feel my power, pull my chain  
Take a chance in my domain  
Roll me over and just tell me when  
Kill Me Again
