

# Black and Blue

## New Found Glory

It's time to open your eyes  
And wake up to the morning  
Today calls out your name  
And I can never be the same Without you, ruining my life  
That's what you seem to be the best at  
Yeah, yeah, yeah, being drowned  
That's more that I can say for everyone else I can't sleep  
'Cause it's only four in the morning  
I think I've ran out of dreams  
It's like you'll never be the same Without you ruining my life  
That's what you seem to be the best at  
Yeah, yeah, yeah, being drowned  
That's more that I can say for everyone else How can you say that you love me?  
When the world around you is changing  
How can you say that you love me?  
When it's only eleven-thirty Ruining my life  
That's what you seem to be the best at  
Ruining my life  
That's what you seem to be the best at
