Hit The Ground Runnin'

Haley Reinhart

I can't be held in chains
I ain't your slave
I got this wild heart, no, no, no
And it can't be tamed
If you think that I'm sweet
Sugar in your teeth
You better watch your mouth, boy
'Cause I don't miss a beat
And you don't know a thing about me (hoo-ah-hoo)
Yeah, baby, you don't know a thing about me, yeah
(Chorus)
I hit the ground runnin', runnin', runnin'
I hit the ground runnin', runnin', runnin'
You can't hold a rebel down
'Cause I'll be breaking out
This spirit's gotta be free
I hit the ground runnin', runnin', runnin'
So don't go following me
I know you fallin' too deep
Just like a bomb
'Cause you can't hide your love
No, no, with camouflage
But you don't know a thing about me (hoo-ah-hoo)
Yeah, baby, you don't know a thing about me, yeah

I hit the ground runnin', runnin', runnin'
I hit the ground runnin', runnin', runnin'
You can't hold a rebel down
'Cause I'll be breaking out
This spirit's gotta be free
I hit the ground runnin', runnin', runnin
So don't go following me
Things aren't always what they seem to be
I know who you're thinkin', but she isn't me
It's crazy obsession
Have you lost your mind?
Baby, don't hold your breath
Mmm...
I hit the ground runnin', runnin', runnin'

I hit the ground runnin', runnin', runnin'
You can't hold a rebel down
Cause' I'll be breaking out
This spirit's gotta be free
Don't try and stop me now
Ain't comin' back around
This spirit's got to be free
I hit the ground runnin', runnin', runnin'
I hit the ground runnin', runnin', runnin'
I hit the ground runnin', runnin', runnin'
So don't go following me
