## **All That Matters**

## **Justin Bieber**

Oh oh, just as sure as the stars in the sky
I need you to shine in my life
Not just for the meanwhile, for a long long time
Better believe itOh oh, whenever you're not in my presence
It feels like I'm missing my blessings, yeah
So I sleep through the daylight, stay awake all night
'Til you're back again, oh yeah, yeahYou think I'm biased

To my significant other

You hit it right on the head

Only been missing my lover

Got a whole lotta texts in my phone and I don't reply The next eight bars tell you whyYou're all that matters to me, yeah, yeah,

Ain't worried about nobody else

If it ain't you, I ain't myself

You make me completeYou're all that matters to me, yeah, yeah,

What's a king bed without a queen

There ain't no "I" in team

You make me complete

You're all that matters to meTake the gas out the car it won't drive

That's how I feel when you're not by my side

When I wake up in the morning up under you, and only youOh oh, grateful for your existence Faithful no matter the distance

You're the only girl I see

From the bottom of my heart, please believe You're all that matters to me, yeah, yeah

Ain't worried about nobody else

If it ain't you, I ain't myself

You make me complete

You're all that matters to me, yeah, yeah

What's a king bed without a queen

There ain't no "I" in team

You make me complete

You're all that matters to me Yeah, yeah, yeah, yeah

You're all that matters to me

Yeah, yeah, yeah, yeah

You're all that matters to me
