Storm coming, you'd better hide from the atomic tide
Flashes in the sky turns houses into sties
Turns people into clay, radiation minds decayRobot minds of robot slaves lead them to atomic rage
plastic flowers, melting sun, fading moon falls upon
dying world of radiation, victims of mad frustration
Burning globe of oxy'n fire, like electric funeral pyreBuildings crashing down to a cracking ground
Rivers turn to wood, ice melting to flood
Earth lies in death bed, clouds cry water dead
