

Earthquake Weather

Beck -- Beck Hansen, Daniel Webster, John King, Ma

I'd kill anyone who'd treat you as bad as I do
I'd love to believe it all works out
July 4th parade wrapped in beach towels
Under a fireworks display

I close my eyes and
Dream about you, dream about you
Sun so bright
You're just a shadow fading out, and
It feels like summer
(Feels like summer)
But it's earthquake
(Earthquake)
It's earthquake weather
It feels like summer
(Feels like summer)
But it's earthquake
(Earthquake)
It's earthquake weather

Wo oh oh
Wo oh oh

Scared dogs will bite
And cowards cut and run
And sun, it burns your skin
It comes natural to be so cruel
To be an asshole to someone as good as you

I close my eyes and
I dream about you, dream about you
Sun so bright
And I'm just a shadow fading out, and
It feels like summer
(Feels like summer)
But it's earthquake
(Earthquake)
It's earthquake weather
It feels like summer
(Feels like summer)

But it's earthquake
(Earthquake)
It's earthquake weather

Wo oh oh
Wo oh oh

I close my eyes and
I dream about you
Sun still shines,
just a shadow fading out, and
It feels like summer
But it's earthquake
It's earthquake weather
It feels like summer
But it's earthquake
It's earthquake weather

(Feels like summer)
It feels like summer
(Earthquake weather)
And it's earthquake weather
(Feels like summer)
It feels like summer
(Earthquake weather)
It feels like forever
Forever

I'd kill anyone who'd treat you as bad as I do
