

In My Head

Madcon

[Verse 1: Yosef]

I let you go

First day, fourth month of the year

I said I'd never regret nothing

But these empty bags makes me want you here

I see you smile

But if somebody else that has you laughing

I guess I didn't think it was serious

And now I wonder do you still think of us?[Hook: Tshawe] (Yosef)

You're in my head

Wish I knew how to get you out

I was trying to give you up, but just for love

I'm missing you being around

You're in my head

Wish I knew how to get you out

I was trying to give you up, but just for love

I'm missing you being around

You're in my head

(I can't let you go)

You're in my head

(I can't let you go)

You're in my head

(I can't let you go)

You're in my head

(I can't let you go)[Verse 2: Yosef]

I wanna fight

Cause it's holding you the way that I used to

I'll play of like It's nothing

But I'm burning up and I'm about to lose my cool

I'm not gonna lie

Girl the truth is I'm still in love with you

That alone has to mean something

If you don't feel the same take a walk in my shoes

Baby, I miss you[Hook][Verse 3: Yosef]

You see life goes on

I know I can't turn back time but I wish I

Never stopped trying to resist what I'm feeling

But without you life is a bitch, bye

Go, get out, my head needs space

Mind's all bent, need to set shit straight
I'm sending you one-way ticket out of my head[Hook]Denne teksten kommer fra Rap Genius Norge!
