

Tipsy

Jake Owen

You got your hands all over me
You sure making this room spin
Moving your body to the beat
Sure got me feeling like I'm losing it
Oh but girl keep doing it Jack in my coke's got me dizzy dizzy
Radio rockin' with maybe Freddy daddy
Oh oh it's the Saturday night
She shake it so sweet you got me on a sugar high
And I don't know if it's you or the whiskey
That's got me feeling all tipsy tipsy
I can feel myself about to fall
Every time you kiss me, kiss me
I better lean you up against the wall
I'm tipsy, tipsy. The way you rock that miniskirt
Yea, you turn me right side down
Girl you're making my vision blur
It ain't what I'm sippin' got me trippin'
Now, girl you're looking so fine tonight
I couldn't walk a straight line tonight 'cause Jack in my coke's got me dizzy dizzy
Radio rockin' with maybe Freddy daddy
Oh oh it's the Saturday night
She shake it so sweet you got me on a sugar high
And I don't know if it's you or the whiskey
That's got me feeling all tipsy tipsy
I can feel myself about to fall
Every time you kiss me, kiss me
I better lean you up against the wall
I'm tipsy, tipsy. The way the room's going round and round
I was thinking we should just lay down Jack in my coke's got me dizzy dizzy
Radio rockin' with maybe Freddy daddy
Oh oh it's the Saturday night
She shake it so sweet you got me on a sugar high
And I don't know if it's you or the whiskey
That's got me feeling all tipsy tipsy
I can feel myself about to fall
Every time you kiss me, kiss me
I better lean you up against the wall
Oh I'm tipsy, tipsy
