Put It In Your Mouth

Akinyele

My baby left me
Left me sad and blue
I didn't know what to do
Without my baby baby baby
And then I met his best friend
And he took me to his house
And I said, I said, I said
(What you said, baby)
Let me tell you what I said
Put it in my mouth
She said put it in her mouth
I said my muthafuckin' mouth
I mean her muthafuckin' mouth
Put it in my mouth
She said put it in her mouth
My muthafuckin' mouth
I mean her muthafuckin' mouth
Put it in my mouth
She said put it in her mouth
My muthafuckin' mouth
I mean her muthafuckin' mouth
You wanna go down why not
I be like Herbie and han you a cock
And tell you that my name is AK
Get on your knees, make like the breeze begin to blow
But don't give me no Ralph Loren grin
If you're not down to go low
(Dump it in my mouth)
I'm all about mouth fuckin'
Only if you down for dick suckin'
If not, bj in the bed, keep truckin'
And fuck chap sticks
I'm comin' ashes hell wit chapped dicks
For your chapped ass lips
Treatin' your teeth like dentists as I'm rubbin' them
With an erection like injections
Fuck it, I be druggin' them
Numbing up your tonsils like ambesol anesthetic
Cummin' down your throat like chloraseptic

(Take it out my mouth)
No time for apologin', girlfriend if you
Swallowin', gargolin'
I'm givin' bitches permanent beers
Put your lips here
And catch these damn facial hairs in your mouth
Put it in my mouth
(Put it in your mouth)
I said my muthafuckin' mouth
(I said your muthafuckin' mouth)
And you can just eat me out
(Or I can just eat you out)
You can eat me out
(Yeah, what's that all about?)
Well, you can lick it, you can flip it, you can taste it
I'm talkin' every drip-drop, don't you waste it
Baby, slurp it up, it's enough to fill your cup
It's finger lickin' good and I wish a nigga would
Go down kinda slow or even fast
I was sprung once I feel your tongue
In the crack of my ass
Yes, I need a nigga goin' out like that
Boy your pack is such a tasty treat
And you can eat me out but
Put it your my mouth
(Put it in your mouth)
I said your muthafuckin' mouth
(I said your muthafuckin' mouth)
And you could just eat me out
What do ya choose to lick
Pussy or dick?
(You could eat me out)
People through out the world
(Put it in your mouth)
Man, it's your pick
(I said your muthafuckin' mouth)
What do ya choose to lick
(Put it in my mouth)
Pussy or dick?
(Put it in my mouth)
People through out the world
(I said my muthafuckin' mouth)
Yeah, it's your pick
(Just put it in my mouth)
What do you wanna lick

(Muthafuckin' mouth)
Pussy or dick?
(And you could just eat me out)
People through out the world
(In my mouth)
It's your pick, hah
(Put it in my mouth)
It's your pick, pick
(Baby, baby in my mouth)
Uhh, uhh
(Let me go down)
People through out the world
