

The Wait

Pretenders

Said the wait child magic child work it on out now work it
The wait child pinball child pool hall child hurts
The wait child pacing child forth back now hurts
The wait child neon light late night lights hurt Oh gonna hurt some child child
Gonna hurt some whoa my baby Said the wait child bruised ball child pride slapped child hurts
The wait child crest felled child tear eyed child hurts
The wait child bus stop child late come child hurts
The wait child platform walk idle talk hurts
Oh gonna hurt some child child
Gonna hurt some whoa my baby I said child, child staring into the streetlight
Messed up child lonely boy tonight
Kick the wall turn the street and back again
Oh boy you've been forgotten
(repeat)
