

# Icon Of Dominance

## Lordi

Would you be satisfied  
If I told you lies?  
Would it make it right? No, I won't justify  
Your masquerade like cries  
I know it will go by There is no soul  
No soul could chain mine  
And call it its own I'll be your reason to loathe, shoot your futile bolt  
Don't push it, I know you know you're  
Held by the cold, do what you are told  
The icon of dominance Distort it all you can  
Your full blown master plan  
Will get you in a jam When cheers form into jeers  
Despair is drawin' near  
Glances grow to become  
The weapons of fear There is no soul  
No soul could chain mine  
And call it its own I'll be your reason to loathe, shoot your futile bolt  
Don't push it, I know you know you're  
Held by the cold, do what you are told  
The icon of dominance Can't you see me?  
Can't you see me stalking?  
Day dream escape, surreal haze  
Distort it all you can  
There is no soul  
No soul could ever make me its own I'll be your reason to loathe, shoot your futile bolt  
Don't push it, I know you know you're  
Held by the cold, do what you are told  
The icon of dominance Reason to loathe, shoot your futile bolt  
Don't push it, I know you know you're  
Held by the cold, do what you are told  
The icon of dominance
