This I Know

Crowder

Up on the mountain
Where your love captured me
Where finally I am free
This I know

Up on the mountain
Where you taught my soul to sing
Amazing grace, the sweetest thing
This I know

And then the storm rushing in
And here I am again
This I know

Hook:
Take me up to where I was
When I never wanted more than you
Lift me up to feel your touch
It wouldn't be that much for you
This I know
This I know
This I know
This I know

Up on the mountain
Where you took me by the hand
Taught me to dance again
This I know

Up on the mountain
Where you took this heart of stone
Put life back in these bones
This I know

Hook:
Take me up to where I was
When I never wanted more than you
Lift me up to feel your touch
It wouldn't be that much for you
This I know

This I know
This I know
This I know

Take me up to where I was
When I never wanted more than you
Lift me up to feel your touch
It wouldn't be that much for you

Hook:
Take me up to where I was
When I never wanted more than you
Lift me up to feel your touch
It wouldn't be that much for you
This I know
This I know
This I know
This I know
