••TELL ME••

(Lyrics: Marieke Pieters •• Music: Mauro Paoluzzi)

Tell me

Have you seen the stars tonight?

They are shining just for you

And the moon is glowing too

Tell me

Why do you turn your eyes away?

Is it something that I've done?

Or a cloud that hides the sun?

Tell me

Baby please just tell me

Is our story now ending?

Are you only pretending

You're in love?

So in love

I know

my heart is beating just for you

Is our happiness a lie?

Oh darling please, tell me why?

Tell me

How can I just erase the time

The sweetness of your kiss

And your touch I already miss

Tell me

Baby please just tell me

Is our story now ending?

Are you only pretending

You're in love?

So in love

Answer me  
Is it real for you and me?

Can't you see?  
Baby, we're in love  
So in love

Tell me  
Baby just tell me  
Is our story now ending?  
Or are you just pretending  
You're in love?  
So in love

Answer me.....  
Is it real for you and for me?

Can't you see?  
Baby, we're in love  
So in love
