How Much Fun

Robert Palmer

You make me feel like I don?t need another
Come on, baby, let?s pull back the covers
And do our best to help one another
Find out how much fun we can get into life
You got me scorched, where I?d forgotten there was fire
You got me foxed and you know I ain?t a liar
Come on, baby, help me try
And find out how much fun we can get into life
(How much fun, how much fun)
Sit back, relax, we?ve got all night
Feel the groove, nice and smooth
Let?s get it right
[Incomprehensible]I know the place, let?s go
Come on, let?s fly
You make me feel like I don?t need another
Come on, baby, let?s pull back the covers
And do our best to help one another
Find out how much fun we can get into life
(How much fun, how much fun)
You got me higher than I?ve been since I started
Couldn?t want you more if I tried any harder
We could fall in love with one another
Find out how much fun we could get into life
(How much fun, how much fun)
We got what?s what
Let?s make it work
Feel the beat in your seat
Don?t make it jerk
Settle down, look around, there ain?t no rush
There?s a whole load of possibilities
Just the two of us
You make me feel like I don?t need another
Come on, baby, let?s pull back the covers
And do our best to help one another
Find out how much fun we can get into life
(How much fun, how much fun)
Find out how much fun we can get into life
(How much fun, how much fun)
Find out how much fun we can get into life

(How much fun, how much fun)
Find out how much fun we can get into life
(How much fun, how much fun)
Find out how much fun we can get into life
(How much fun, how much fun)
Find out how much fun we can get into life
(How much fun, how much fun)
Find out how much fun
