

# Return to Fantasy

## Uriah Heep

Searching every day looking every way  
Trying to make a connection to find a piece of the action  
Like a hungry poet who doesn't know  
He is close to perfection choice is the question Moonlight night after moonlight night  
Side by side they will see us ride  
But if they cared to look then they would see  
It's our return to fantasy, fantasy, fantasy, fantasy, fantasy, fantasy Can you understand that in every man  
There's a need to unwind that's never been defined  
Somewhere deep within there's another being  
You are somehow abusing by the person you're using Moonlight night after moonlight night  
Side by side they will see us ride  
But if they cared to look then they would see  
It's our return to fantasy, fantasy, fantasy, fantasy, fantasy, fantasy Traveling faster than lightening closer than  
ever before  
We can go on for you and take you nearer to the legend of mystery  
From the beginning of time dreaming time dreaming  
We can return to the land of the good and the kind  
Time dreaming time dreaming  
No we won't come to your party and open our minds In another place there's a newer face  
Like an unfinished painting your creator is waiting  
The brush and pen describe, what it is inside  
That will set your mind thinking while the others are sinking Moonlight night after moonlight night  
Side by side they will see us ride  
But if they cared to look then they would see  
It's our return to fantasy, fantasy, fantasy, fantasy, fantasy, fantasy
