

Total Mass Retain (Single Version)

Yes

I get up, I get down
Now that it's all over and done
Now that you find, now that you hold My eyes convinced, eclipsed with the younger moon attained with love
It changed as almost strained amidst clear manna from above
I crucified my hate and held the word within my hand
Theres you, the time, the logic or the reasons we dont understand Sad courage claimed the victims standing still
for all to see
As armored movers took approached to overlook the sea
There since the cord, the license, or the reasons we understood will be Down at the edge, close by a river
Close to the edge, round by the corner
Close to the end, down by the corner
Down at the edge, round by the river Sudden caution shouldnt take away the startled memory
All in all, the journey takes you all the way
As apart from any reality that youve ever seen and known
Guessing problems only to deceive the mention Passing paths that climb halfway into the void
As we cross from the side to side
We hear the total mass retain Down at the edge, round by the corner
Close to the end, down by a river
Seasons will pass you by
Get up, get down
