Hourglass

Athenaeum

Nighttime crashes down on me
I lost everything, I failed miserably.
All these things I can't complete
They encompass me, they bark at my feet.
And the days go by without warning or reply
and these moments pass me by endlessly.If I live for a hundred years
I'll still want you here
I'll still need you, dear.
Let me whisper in your ear
Let me love you now before we disappear.And if these things pass I would break the hourglass
Just to make the moment last for you.
oh and if i had one wish, i would take us both from this
to a place where only you and i exist.oh oh oh, oh oh la la la
oh la la la
oh la la la da la
oh la la la
oh la la la da laAnd if these things pass I would break the hourglass
just to make the moment last for you.
oh, and if i had one wish i would take us both from this
to a place where only you and I exist.
to a place where only you and i exist.But this life crashes down on me
if i lose you this time then i lose everything
and one day, when my ship comes in
I'll miss you my darling
you were my best friend.
I'll miss you my darling
you were my best friend.
