Scarecrow

Between the Trees

Oh, scarecrow, it ain't so bad
Just try and fit in this hollow man
'Cause you've traveled so far
From where it all beganMaybe I wasn't made for this world
Maybe I wasn't made for this world
All the space in between the soul and the seams
Maybe I wasn't made for this worldI think I took the wrong path
And I need to find my way back
They say you're never too far
To start it all againAm I too far?Maybe I wasn't made for this world
Maybe I wasn't made for this world
All the space in between the soul and the seams
Maybe I wasn't made for this worldOh, scarecrow, oh, scarecrow
Is it really that bad?
Oh, scarecrow, oh, scarecrow
Is it really that bad?Maybe I wasn't made for this world
Maybe I wasn't made for this world
All the space in between the soul and the seams
Maybe I wasn't made for this worldMaybe I wasn't made for this world
All the space in between the soul and the seams
Maybe I wasn't made for this worldOh, scarecrow, oh, scarecrow
Is it really that bad?
Oh, scarecrow, oh, scarecrow,Maybe I wasn't made for this world
