But did you really wanna dabble in fanatical supernatural  
lyrically radical milli minutes, I'm about to begin it  
Can I get some, can I spit some, which one?  
When am I gonna get off this trip?  
Can I take another peel, why do I feel  
like I'm a sick individual in the room, poppin off at the lip?  
Do you, feel me? Do you do voodoo really?  
Did you get it? Did you want a real epidemic?  
Will you let me run up in it?  
What's the word; is it absurd? What is that isssh you heard?  
Was it real, is it real, was it really real?
