

# Kissing A Fool

George Michael

You are far, when I could have been your star  
You listened to people, who scares you to death  
And from my heart  
Strange that you were strong enough to even make a start  
But you'll never find peace of mind, till you listen to your heart  
People, you can never change the way they feel  
Better let them do just what they will, for they will  
If you let them steal your heart from you  
People, will always make a lover feel a fool  
But you knew I loved you  
We could have shown them all  
We should have seen love through  
Fooled me with the tears in your eyes  
Covered me with kisses and lies  
So goodbye  
But please don't take my heart  
You are far, I'm never gonna be your star  
I'll pick up the pieces and mend my heart  
Maybe I'll be strong enough, I don't know where to start  
But I'll never find peace of mind while I listen to my heart  
People, you can never change the way they feel  
Better let them do just what they will, for they will  
If you let them steal off your heart  
And people, will always make a lover feel a fool  
But you knew I loved you  
We could have shown them all  
But remember this, every other kiss that you'll ever give  
Long as we both live  
When you need the hand of another man  
One you really can surrender with  
I will wait for you, like I always do  
But something there that can't compare with any other  
You are far, when I could have been your star  
You listened to people, who scared you to death  
And from my heart  
Strange that I was wrong enough to think you'd love me too  
I guess you were kissing a fool  
You must have been kissing a fool
