

# Raw Gold

## Beaty Heart

She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw  
She got the Raw  
She got the Raw Gold hold  
She got the Raw Gold holdThe milk in my bones  
Getting sour by the hour  
I know that the dead read song  
That your voice is keepin it cold  
She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw  
She got the Raw  
Need to charge my own, own  
Losing power by the hour, no grow  
'Cause the Raw Gold sound of your voice  
Is melting my soulShe got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw  
She got the Raw'Cause the Raw Gold sound of your voice  
Is melting my soul  
Cause the Raw Gold sound of your voice  
Is melting my soul  
She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw Gold hold  
She got the Raw  
She got the Raw
