# Eyes On You

## Ky'ly'ntae

Hello, can you hear me?
I've got something to tell you
I was lost, but you saved me
I'll go wherever you want to
'Cause I think that I've got to have you
I've had enough
I'm in love, it's true
So don't, don't take it away
'Cause I've got my eye on you
This song is my way of saying
What I needed to say
I am proud, I am strong
And you've been here all along
I didn't know it until today
I'm so glad that it happened this way
I've had enough
I'm in love, it's true
So don't, don't take it away
'Cause I've got my eye on you

Hold on now
You're leaving
Take these hands
Don't even say goodbye
I want you to know that
I'm going to miss you
Hold on to my heart
We'll make it through
And let it be known
All I want is you
And I'm learning to show it to you
I've had enough
I'm in love, it's true
So don't, don't take it away
'Cause I've got my eye on you
I've had enough
I'm in love, it's true
So don't, don't take it away
'Cause I've got my eye on you
