Brand New Day

Forty Foot Echo

Never thought I'd say, "I'm sorry"
Never thought I'd be the one to bring you down
Now when I look out my window
But there doesn't seem to be anyone aroundAnd I, I think I'll change my ways
So all your words get noticed
Tomorrow's a brand new day
Tomorrow's a new dayWe said we'd take little time
For both of us to see
And wonder what it'd be like to carry on
Ya, I know I got crazyWell, I guess that's just me
If I could turn back time before
The wrongAnd I, I think I'll change my ways
So all your words get noticed
Tomorrow's a brand new day
Tomorrow's a new dayYa, and I, I think I'll change my ways
So all your words get noticed
I think I'll change my ways, I think I'll change my ways
Ahh, ahh, I think I'll change my waysNever thought I'd say, "I'm sorry"
Never thought I'd be the one to bring you down
