

Shakin' All Over

Alex Harvey

When you move in right up close to me
That's when I get the shakes all over me
 Quivers down my back bone
I've got the shakes down the kneebone
 Yeah havin' the tremors in the thighbone
Shakin' all overJust the way you say goodnight to me
 Brings that feeling on inside of me
 Quivers down my back bone
I've got the quivers down the thighbone
 Yeah the tremors in my back bone
Shakin' all overQuivers down my back bone
 Yeah I have the shakes in the kneebone
 I've got the tremors in the back bone
Shakin' all overWell, you make me shake and I like it, baby
 Well, you make me shake and I like it, baby
 Well, you make me shake and I like it, baby
