Something

Cary Brothers

And you think you're alone as if I wasn't there
Youre losing your faith in me
Its a car, it's a crash, it's a death, and you're scared
You just can't escape the sceneHush now you're insane
Touch my skin, come back again
The sky is fallingIts something you cannot fake
This something you will not shake
Just walk away before I look at you
Its something only you can takeAll your words, it's a lie to yourself, it's a home
Theres so much that you can't see
Its a bomb that can kill everyone, and it blows
You can't even hear me screamHush now you're insane
Touch my skin, come back again
The sky is fallingIts something you cannot fake
This something you will not shake
Just walk away before I look at you
Its something only you can takeThis is only feeling with no thought
Is this love?
What happened to the promises I bought?
Is this love?Its something you cannot fake
This something you will not shake
Just walk away before I look at you
Its something only you can take
