i can love you

Michelle Gordon

I can love you
(I can love you)
I can love you
(I can love you)
I can love you better than she can
I can love you
(I can love you)
I can love you
(I can love you)
I can love you better than she can
Sitting here
Wondering why you don't love me
The way that I love you
And baby have no fear
'Cause I would never ever hurt you
And you know my love is real, boy I can
I can love you
(I can love you)
I can love you
(I can love you)
I can love you better than she can
I can love you
(I can love you)
I can love you
(I can love you)
I can love you better than she can
I know some times
Can get rough but we'll make it
We'll make it through the storm
And I know I will try
To make sure that you can trust me
And you know the reason why that I say
I can love you
(I can love you)
A little better than she can
Oh
I know that you
(I know that you)
Wish that you could be my man

'Cause I can love you better than she can
I can love you
(I can love you)
I can love you
(I can love you)
I can love you better than she can
I can love you
(I can love you)
I can love you
(I can love you)
I can love you better than she can
If I told you once, I told you twice
Q. B. throw the booties, like a groupie for mo' ice
Armor truck heist, hit the bonus like N'Bushe
In love wit' you since the days of juicy
Now I watch you play Colombo, Picasso
Tricks inside colassals, turn you castles to brothels, Uh!
Who you lovin', who you wanna be huggin'
Dippin' on ya Ninja Honda with Tanisha and Rhonda, Wha!
You work more body than Jane Fonda
Physical fitness, Mary Bilge be my witness
Under pressure, I lie for ya, die for ya
Cougar by the thigh for ya, right hand high for ya
Because of you, I'm inheritin' trillions
Buryin' billions, Bentley Coupe's millions
Playin' good samaritan, in the Sheraton
Crack the Don P's and Remy's
You better hurry in
(Won't you tell me who?)
(Who's gonna make you feel the way I do)
Who's gone love you like I do, huh? What
Who's gone treat you like I do, huh? What
(Nobody, nobody)
(Who's gonna make you feel the way I do?)
Mary Bilge, Lil Kim, ha ha
Queen Bee, ah-hah, that's me
That's right, Mary J, Lil K
(Nobody, nobody)
I can love you
(I can)
I can love you
(Love you)
I can love you better than she can
I can love you
(I can love you)

I can love you
(I can love you)
I can love you better than she can
I can love you
(I can love you)
I can love you
(I can love you)
I can love you better than she can
I can love you
(I can love you)
I can love you
(I can love you)
I can love you better than she can
Who's gonna make you feel the way I do?
Nobody, nobody
Who's gonna make you feel the way I do?
Nobody, nobody
I can love you
(I can love you)
I can love you
(I can love you)
I can love you better than she can
