

The Things You See

[**Allan Holdsworth**](#)

When I look at the edge
Oh it scares me.Though I know I'll go,
Always go back.If there was somewhere to go,
My boat wasn't holed on the reef.And my lack of belief
In the truth I am seeing...To you I'll tie
My inner eye
Which never, ever
Ever lies.Leave behind
To seek
And find
Within
The things
You see.
