

# Lucky Boy

## Shaka Ponk

The sun is up  
On a snaking road  
I'm driving through  
The memories on a lonely coast  
The sun is dazzling  
My eyes aren't dry  
I'm driving through  
Past against the borderline  
If I slowly turn the wheel  
Diving down into the sea  
Would you come back rescue me?  
I'd be a Lucky Boy, I'd be a Lucky Boy  
The sun is up  
On an empty road  
I'm driving through  
The dust of my disobeying soul  
The sky above  
Take me for a ride  
Kinda can't stop (kinda can't stop)  
Thinking about you (kinda can't stop thinking about you)  
Kinda can't stop (kinda can't stop)  
Thinking about you (kinda can't stop thinking about you)  
If I slowly fall asleep  
Falling down into the deep  
Would you come back rescue me?  
I'd be a Lucky Boy, I'd be a Lucky Boy  
One Two Three Shakin'  
One, Two, Tell me what to do!  
Three, Four, Before I hit the floor!  
Tutu tutu tuuu tuuuuu  
Damn Lucky, Damn Lucky, Damn Lucky  
Coz I'm a Lucky Boy  
Tutu tutu tuuu tuuuuu  
Damn Lucky, Damn Lucky, Damn Lucky  
A Damn Lucky Boy  
Tutu tutu tuuu tuuuuu  
Damn Lucky, Damn Lucky, Damn Lucky  
I'm a Damn Lucky Boy  
If I slowly turn the wheel  
Diving down into the sea  
Would you come back rescue me?  
I'd be a Lucky Boy, I'd be a Lucky Boy  
I'd be a Lucky Boy, I'd be a Lucky Boy  
I'd be a Lucky Boy, I'd be a Lucky Boy  
Yes I'm a Lucky Boy  
I'd be a Lucky Boy

Yes I'm a Lucky Boy
