Ants Invasion (Album Version)

Adam and the Ants

Ten-thirty-five and I hope I've made
The right decision
Heart is beating I'm alive
But I don't call this living
Rationalize 'til I'm blue in the face
You cannot lose if you throw the race
I'm still searching for the
Ants invasionTen-thirty-six and I hope I've made
The right decision
Ninety eight point four's the bore
With twenty twenty vision
You want a thrill so you come and see me
A cheap line in fantasy
But I'm still searching for the
Ants invasionIf I'd the courage
I would make my way home
Too many antics in the forbidden zoneTen-thirty-eight and I think I've made
The wrong decision
Another lifeless man with a strange incision
I hope that insect doesn't see me
He's not renowned for his courtesy
I'm not searching for the
Ants invasion
