

The World Is Not Enough [U.N.K.L.E Remix]

Garbage

I know how to hurt

I know how to kill

I know what to show

And what to conceal

I know when to talk

And I know when to touch

No one ever died from wanting too muchThe world is not enough

But it is such a perfect place to start, my love

And if you're strong enough

Together we can take the world apart, my lovePeople like us

Know how to survive

There's no point in living

If you can't feel the life

We know when to kiss

And we know when to kill

If we can't have it all

Then nobody willThe world is not enough

But it is such a perfect place to start, my love

And if you're strong enough

Together we can take the world apart, my loveI, I feel sick

I, I feel scared

I, I feel ready

And heaven prepareThe world is not enough

But it is such a perfect place to start, my love

And if you're strong enough

Together we can take the world apart, my loveThe world is not enough

The world is not enough
