

I'll Never Forgive My Heart

Brooks & Dunn

Hello heartache, who let you in?
I swore the last time never again
Back together just you and me
Where's your old friend Mr. Misery? I went and did it, I dropped my guard
I fell in and I fell hard
Now she's sayin' she's found someone new
How could I have been such a fool? Oh, close the door, turn out the lights, draw the curtain
I'll get over her in time, it's gonna take some hurtin'
Oh, I tell myself, I told you so as I fall apart
I can't blame love, but I'll never forgive my heart Oh, close the door, turn out the lights, draw the curtain
I'll get over her in time, it's gonna take some hurtin'
I tell myself, I told you so as I fall apart
I can't blame love, but I'll never forgive my heart
