

Bruiser

Misfits

All I feel is pain it seems today
A dark angel leads me to evil far beyond the grave
Declares me a phantom demon I don't know
It just cannot be defied
At Hell this reflection stares at me
And then I lose my mind
It betrays me Oh, In hell I'll burn in flames
Oh oh oh oh, If looks could kill then death would be my name
Oh oh oh oh, In hell I'll burn in flames
Oh oh oh oh, So come inside the fires feel Angel of Death is bloodied now
He's the one inside
Tortured, scored that strike
Against the fear, it feeds the fire
Near me now, the demon's son
Bruiser I'm the one
Erase my soul for all your sins can never be undone
I can't contain it Oh, In hell I'll burn in flames
Oh oh oh oh, If looks could kill then death would be my name
Oh oh oh oh, In hell I'll burn in flames
Oh oh oh oh, So come inside the fires feel the pain (whoa oh)
Feel the pain
The pain
