Sweat

Casely

I dont know her but she actin like she know me
Oooh.She musta heard bout the way that I be
I pulled her body to me slowly
YeahShe whispered to me are you ready for me?Dont even ask for me
Ill spend this cash probably
If you could loose it we could lose it on the floor.
So whatcha got for me
Cause we could both be
In the kitchen there just..but first I gotta see yaSWEATOoh.I know I only met her yesterday
But I wouldnt leave her even if you paid me
She got somewhere she try to slip away.
Oh Baby I grabbed her waist and told her dont be Crazy
U run da show babyCuz we could both be
in the shower after hours
I just gotta see ya sweatBut yuh sweat on me..Make yuh sweat
