

# Beneath a Moonless Sky

## Andrew Lloyd Webber

CHRISTINE:I should have known that you'd be here  
I should have known it all along  
This whole arrangement bears your stamp  
You're in each measure of that song  
How dare you try and claim me now?

How dare you come invade my life?PHANTOM:Oh, Christine, my Christine

In that time when the world thought me dead  
My Christine, on that night just before you were wed  
Ah, Christine, you came and found where I hid  
Don't you deny that you did

That long ago nightCHRISTINE:That nightPHANTOM:Once there was a night  
beneath a moonless sky

Too dark to see a thing, too dark to even try

CHRISTINE:I stole to your side to tell you I must go  
I couldn't see your face but sensed you even soAnd I touched you

PHANTOM:And I felt you

BOTH:And I heard those ravishing refrains

CHRISTINE:The music of your pulse

PHANTOM:The singing in your veinsCHRISTINE:And I held you

PHANTOM:And I touched you

CHRISTINE:And embraced you

PHANTOM:And I felt youBOTH:And with every breath and every sigh

CHRISTINE:I felt no longer scared

PHANTOM:I felt no longer shy

BOTH:At last our feelings bared

Beneath a moonless skyCHRISTINE:And blind in the dark, as soul gazed into soul

I looked into your heart and saw you pure and whole

PHANTOM:Cloaked under the night

with nothing to suppress

A woman and a man, no more and yet no lessPHANTOM:And I kissed you

CHRISTINE:And caressed you

BOTH:And the world around us fell away

We said things in the dark

We never dared to sayPHANTOM:And I caught you

CHRISTINE:And I kissed you

PHANTOM:And I took you

CHRISTINE:And I begged youBOTH:With a need too urgent to deny

And nothing mattered then

Except for you and I

Again and then again  
Beneath a moonless skyPHANTOM:And when it was done  
before the sun could rise  
Ashamed of what I was, afraid to see your eyes  
I stood while you slept and whispered a goodbye  
And slipped into the dark beneath a moonless skyCHRISTINE:And I loved you  
Yes, I loved you  
I'd have followed anywhere you led  
I woke to swear my love  
And found you gone insteadPHANTOM:And I loved you  
CHRISTINE:(How I loved you)  
PHANTOM:And I left you  
CHRISTINE:(And I loved you)And I had to, both of us knew why  
CHRISTINE:We both knew why  
BOTH:And yet I won't regret  
From now until I die  
The night I can't forget  
Beneath a moonless skyPHANTOM:And now  
CHRISTINE:How can you talk of now?  
For us, there is no now
