

Right One Time

Rascal Flatts

Love's tough, let's get real,
What else can make you feel that bad?
If love was, it was a plain, and went down,
In a ball of flames and crashed,
You wouldn't do that again.
Love is a hopeless dreamers kind of crazy.
Enough to keep you thinkin next time maybe,
Maybe, just maybe,
This time around I might get it right,
And you only gotta get it right one time.
One time.

Now love rocks, rocks your world.
And it's good, it's so good, girl I swear.
So come on, let's do this thing,
I'm in. Baby don't be scared.
Yeah, let's go there.
Love is a hopeless dreamer's kind of crazy.
Enough to keep you thinkin next time maybe,

Maybe, just maybe,
This time might get it right,
And you only gotta get it right one time.
Maybe I'm crazy falling for you,
Maybe, just maybe,
Maybe it's true.
Love is a hopeless dreamer's kind of crazy.
Enough to keep you thinkin next time maybe,
Maybe, just maybe,
Love is a hopeless dreamers kind of crazy.
Enough to keep you thinkin next time maybe,
Maybe, just maybe,
It's a hopeless dreamer's kind of crazy,
Keep you thinkin next time maybe,
This time around might get it right,
And you only gotta get it right one time.
Yeah just one time
Maybe this time around.
