

Loco Mosquito

Iggy Pop

My mommy told me
If I were goody
That she would buy me
A rubber dolly I got some energy to burn
It makes me jumpy and nervous
But I'm too damn old to join the military service
Hup two, three, four I got to hit my baby on a Saturday night
You know the devil made me do it
I know it wasn't right Like a loco mosquito
'Round and 'round and 'round I go
And when I'm hungry
Down I go Please Mr. Custer I don't wanna go
Spend my night in a bar with some stupid dodo
I'm sick of hanging 'round with old transvestites
They stare at my rubbers, it makes me uptight And here I go
In love again
Here I go, oh wo wo
Like a loco mosquito Loco mosquito
Loco mosquito
Herohito I got some energy to burn
But you always want to tap it
You're busy sucking on my gas tank
Before I can tap it Like a loco mosquito
'Round and 'round and 'round I go
And when I'm hungry
Down I go, oh Loco mosquito
Loco mosquito
