

The Dark Night Of The Soul

The Get Up Kids

Never thought anything lasts forever
Hanging on every word, hold the cards in tight
But you're killing me with sincerity
And I'd make any move tonight
Redemption is a bitch too end on
The dark night of the soul
The dark night of the soul
All my training beget a traitor
A monster with a mind of its own
The beast is poised to strike
The bastard plays on these insecurities
Takes all my will to fight
Redemption is a bitch too end on
The dark night of the soul
The dark night of the soul
Oh well, you know what they say
Suddenly every thing's
Suddenly every thing's real
The dark night of the soul
The dark night of the soul
Oh well, you know what they say
Suddenly every thing's
Suddenly every thing's real
The dark night of the soul
The dark night of the soul
The bastard plays on these insecurities
Takes all my will fight
The dark night of the soul
The dark night of the soul
Oh well, you know what they say
Suddenly every thing's
Suddenly every thing's real
The dark night of the soul
The dark night of the soul
