

Birthday Sex Remix

Brooke Hogan

My shawty called me like you know
whats bout to come (come come come)
I said your friend **** let me come get some (some some some)
She said your stupid boy I?m talkin bout my birthday (day day day)
I need some good dick in the worst way (way way way)
Its going down, No hesitation
Its time to eat, p***** reservations
Them chocolate lips got me wanting Hersey kisses
Come blow my candle girl, then make your birthday wishes
its my birthday so you know i want to
h-i-i-de out
want to stay inside with you even if its at
m-y-y-y house
sip that southern oh boy but dont spill it on
m-y-y-y couch
i feel good
but i want you to make me
c-r-r-y out
you know i want action
so boy get ready
i want pleasure and passion
we building steady
your so indigiving and so profounded
ill tell you where to put your gift boy
boy you know I-I-I
boy you know I-I-I

caught up in the late night
im dreaming about you with me
