Want My Heart Back

Nikki Lane

You've thrown my love away
You've gone and let it all die
When we met,I told you I had nothing
So you left me with nothing but goodbye

You sold me an ocean
And I was a fool to ever buy
Cause when I stepped out onto that shoreline
That ocean had all run dry

Never gonna find a way to say the things I need to say
The words ,they're all so fleeting
Would it even matter anyway?
You were so deceiving
I want my heart back

You've thrown my love away
You've gone and let it all die
When we met,I told you I had nothing
So you left me with nothing but goodbye

Never gonna find a way to say the things I need to say
The words ,they're all so fleeting
Would it even matter anyway?
You were so deceiving

You've thrown my love away
You've gone and let it all die
When we met,I told you I had nothing
So you left me with nothing but goodbye
So you left me with nothing but goodbye
So you left me with nothing but goodbye
