

# Nothing Can Come Between Us

Sade

Always hope that you remember  
We'll never really learn the meanin' of it all  
What we have is strong and tender  
So hold on  
In the middle of the madness  
When the time is runnin' out and you're left alone  
All I want is you to know that  
It's strong still, can't pull us apart  
Nothing can come between us  
Nothing can pull us apart  
Can come between us  
I always hope that you remember  
What we have is strong and tender  
In the middle of the madness  
Hold on  
So it truly is a good thing  
And I always wanted you to know  
There is always this and this is everlastin'  
Hold on
