

# Someday

Steve Earle

There ain't a lot that you can do in this town  
You drive down to the lake and then you turn back around  
You go to school and you learn to read and write  
So you can walk into the county bank and sign away your life  
Now I work at the fillin' station on the interstate  
I'm pumpin' gasoline and countin' out of state plates  
They ask me, "How far into Memphis son, and where's the nearest beer?"  
And they don't even know that there's a town around here  
Someday I'm finally gonna let go  
'Cause I know there's a better way  
And I wanna know what's over that rainbow  
I'm gonna get out of here someday, someday  
Now my brother went to college 'cause he played football  
But I'm still hangin' round 'cause I'm a little bit small  
But I got me a '67 Chevy, she's low and sleek and black  
Someday I'll put her on that interstate and never look back  
Someday I'm finally gonna let go  
'Cause I know there's a better way  
And I wanna know what's over that rainbow  
I'm gonna get out of here someday  
I'm gonna get out of here someday, someday, someday
