

That Feeling

Summer Cannibals

Ah, all I wanna do is take all my n*****s to Vegas
Buy a pound of weed and smoke it get them n*****s fading
 Yeah and buy some liquor man we gonna get wasted
Poppin' bottles on them hoes and tell them b**** we made it
 Yeah I wanna get a hundred grand of singles
 Stack them s*** so just like Pringles
 Thanking God I'm single
 Yeah, ready to mingle down
 I'm trying to slam dunk
 Yeah tryin' to finger row
You know that feeling feeling feelin'
 Like everything's changing
 That feeling, feeling like you was
 Instantly famous,feel that
Yeah, f*** that n**** Yeah I'ma kill that
 And Y'all n*****s don't know me
 My tooney got that feeling
 We need some f***ing trophies

Uh, we do it for the whole team
You know that feeling like you won a Superbowl
 We don't never get a day off , nah
 Make the city prowl like we won the playoff
That feeling, that feeling, that feeling, that feeling
That feeling, that feeling, that feeling, that feeling
 Feeling, that feeling, that feeling, that feeling
 Feeling, that feeling, that feeling, that feeling

I got this feeling this feeling I know it
That I'm about to make some millions,some millions then blow it
 My my my my noobie's Brazilian, she gorgeous
 This new life that I'm living it's hard to absorb it
Ever had that feeling when you pull out they say who that
 New school, blue black, drop top, push back
 It's Ali I knew that, threw the whole bar two stacks
When I'm in the building and the hoes run a full flack
 Trust an Puerto Rican, margaritas, burrito
 Vacation with my people, we do this for our people
 You know that feeling like you won a Superbowl

No boho man I'm playing for the team

Yeah, we do it for the whole team

You know that feeling like you won a Superbowl

We don't never get a day off, nah

Make the city prowl like we won the playoff

That feeling, that feeling, that feeling

That feeling, that feeling, that feeling, that feeling

That feeling, that feeling, that feeling, that feeling

That feeling, that feeling, that feeling, that feeling

Fill 'em to the fall, jerk 'em to the right

Feeling like a Mo, look at me and not the size

We're here for those how we roll

It's the feeling of a boat

I got trials on my line, got a million dollars house

We used to rot in coogie sweaters

Now it's Gucci all the time

Freshen hair, leather season

Wanna toll the summer time

Used to have a little bank roll

Now my bank roll larger, strain former Camaro

Hot dite Charger

Gerry Guardian seats

Green light Shlick rims

Check my ring out Oh I'm on my Superbowl s***

I'm flat in the sky , I'm up there with the birds

I do it for the team, you can motherf*** what you heard

Yeah, we do it for the whole team

You know that feeling like you won a Superbowl

We don't never get a day off, nah

Make the city prowl like we won the playoff

That feeling, that feeling, that feeling

That feeling, that feeling, that feeling, that feeling

That feeling, that feeling, that feeling, that feeling

That feeling, that feeling, that feeling, that feeling
