He's Got Tact

Bananarama

Pa pa pa la pa
It was a still hot day
I was sitting doing nothing
When I saw him cruising by
He looked kinda mean
On his devil machine
As he turned and he winked his eye
(chorus)
He's got tact
And he knows how to use it
I fell for him
When I first saw him cruising
I couldn't help it
It was none of my choosing
But I'm so glad
And I don't wanna lose him
He's got tact
And he knows how to use it
I fell for him
When I first saw him crusing
I couldnt seem
To get him outta my head
He stole my heart away

Later that night
I got into a fight
With a girl who said "He's mine"
I pulled him aside
Said he'd better decide
He said "Love me now its no crime"
(chorus)
He's got tact
Pa la pa la
He's got tact
Pa la pa la
Pa pa pa la pa
It was a still hot day
I was sitting doing nothing
When I saw him cruising by

He looked kinda mean
On his devil machine
As he turned and he winked his eye
