Stop And Smell The Roses

Television Personalities

Sometimes
Just to see you smile
We'll make it all worth whileSometimes
Just to be with you
Would be all I need
Then I'd have everything
I could ever need
Just to be with you
Cause all I'll ever need
Just to see you smile
We'd make it all worth whileSometimes I
I would give anything
To take back all the things I said
That made you crySometimes I
Pretend that I got everything
Everything in my garden
Everything is so lovely
Think I'll just stop and smell the roses
Stop and smell the roses
And then I think of you
And I know where you are
It seems so far away
Just so far away
And I don't expect to see you again
