Sonic Boom

Venus Hum

Green gum lips so pink, hot neon pen Flash forward, take a picture of me I'm the prize at the endSwim the rainbow

Drown in paint and sky

I meet my melody

Feeling she's fascinatingI'm super loud

Like sonic boom

Like racing trains

Like bells at noonI'm super loud

Like a sonic boom

Like racing train

Like bells at noonGreen gum so pink, hot neon pen

Flash forward, take a picture of me

I'm the prize at the endSwim the rainbow

Drown in paint and sky

I meet my melody

Feeling she's fascinatingI'm super loud

Like sonic boom

Like racing trains

Like bells at noonI'm super loud

Like sonic boom

Like racing train

Like bells at noonI'm super loud

Like sonic boom

Like racing trains

Like bells at noonI'm super loud

Like sonic boom

Like racing trains

Like bells at noonSonic boom, sonic boom

Sonic boom, sonic boom

Sonic boom, sonic boom

Sonic boom, sonic boomI'm super loud

Like sonic boom

Like a racing train

Like bells at noonI'm super loud

Like sonic boom

Like racing trains

Like bells at noonI'm super loud

Like sonic boom

Like a racing train
Like bells at noonI'm super loud
Like sonic boom
