Sometimes

The Zombies

Sometimes I feel a little a little lonely
Well, don't you know that sometimes
(I feel a little lonely)
And don't you know that sometimes
(I cry at night)But I just have to hold you
(I just have to hold you)
And I know it's all right
(I know it's all right)Sometimes I feel a little a little lonely
Well, don't you know that sometimes
(I feel a little lonely)
And don't you know that sometimes
(I cry at night)But I just have to hold you
(I just have to hold you)
And I know it's all right
(I know it's all right)When I'm so happy, when I'm with you
When I touch you, all my feelin's can't describe
All the love I feel for youBut I just wake up in the mornin'
And I wonder if this love is real
I've been hurt so many times before
But now I know, I know this love is realThen sometimes I wonder
(I feel a little lonely)
I really do
(I cry at night)But I just have to hold you
(I just have to hold you)
And I know it's you
(I know it's you)
